

MATA SUKHDEVI SCHOOL

SESSION 2025-26

HOUSE MEETING ACTIVITY

Eco-Friendly Diwali Activity,

On 8th October, a creative activity was conducted in the school to promote the celebration of an eco-friendly and meaningful Diwali. Students of classes 3 to 5 made beautiful cards on the theme “Eco-Friendly Diwali”, spreading the message of celebrating Diwali with care for the environment. Students of classes 6 to 12 designed posters on the theme “Celebrate Diwali with Lights, Not Noise” and “Knowledge Over Ignorance.”

The activity encouraged students to express their thoughts through art and creativity while understanding the importance of a pollution-free and thoughtful celebration. It was a joyful and educational experience that inspired everyone to celebrate Diwali responsibly.
